Report of Principal and School Improvement Council

West-Oak Middle has just completed its second year. We are committed to providing diverse learning experiences that teach critical and creative thinking, so that our students will become productive, competent, and responsible lifelong learners. Our students are afforded the opportunity to experience the highest levels of course work available. In addition, our students are required to take two exploratory classes each day. We also feel it is critical that students participate in a variety of exploratory classes such as Band, Art, Chorus, Strings, PE, Gateway to Technology, Computer Science, Spanish, Drama, Web Design, and Journalism. We also offer a number of athletic programs which includes Football, Girl's and Boy's Basketball, Cheerleading, Volleyball, Wrestling, and Baseball.

Looking back on this year, we are very proud of our many accomplishments. We are in our second year as a Making Middle Grades Work School and will continue to focus on the ten key practices of that program. We also host a parent/student orientation night for our rising sixth graders called "Step Up To Middle School."

Our Positive Behavior Intervention Support Program is a pro-active approach which research has shown to decrease discipline referrals while increasing student achievement. Our school focused on positive student behavior rather than negative behavior.

A comprehensive remediation program in the areas of both Math and English/Language Arts are available to our students during the school day. Our teachers also offer additional tutorial hours for the students. We have a full-time Reading Strategist teacher and offer Pre-Algebra to our accelerated sixth grade math students and Algebra 1 and Geometry to our accelerated seventh and eight grade students.

We had a number of students win awards in our District competing in writing, science and art. We appreciate the support of the community and our diligent School Improvement Committee in assisting us in the activities of the school and achievement of our goals.
